Constipation Causes Bad Skin
A dull and pimply skin is due to a sluggish bowel in women.

Leg Broken in Peculiar Manner
To suffer a broken leg by being hit on the head was the queer experience of the Syracuse man who got into one controversy too many the other day.

Whenever You Need a General Tonic Take Grove's
The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well-known tonic properties of QUININE and IRON.

FOR KENTUCKY WOMEN
WHO ARE TIRED OUT, NERVOUS, SLEEPLESS, OR RACKED WITH PAIN.

Louisville, Ky.—"When I was in need of a woman's medicine I saw Dr. Pierce's Favorite Prescription advertised. I was nervous, tired out, and it seemed as if I was unable to meet my work. After I began using the 'Prescription' I became better and in much stronger. I used five bottles of this remedy and was entirely cured. I have never been bothered since. I can now recommend it to all women who are suffering from the same troubles."—Mrs. Maud Schuster, 2224 Bank St.

Dr. Pierce's Favorite Prescription is a tried friend to women in times of trial and at times of pain when the organs are not performing their functions. For headache, backache, hot flashes, catarrhal condition, beating down sensation, mental depression, dizziness, fainting spells, lassitude and exhaustion women should never fail to take this tried and true woman's medicine.

For girls about to enter womanhood, women about to become mothers and for the changing days of middle age, Dr. Pierce's Favorite Prescription should always be on hand.

It is a temperance remedy that is extracted from roots with pure glycerine and its ingredients are published on wrapper.

Any medicine dealer can supply it in either liquid or tablet form. The cost is modest, the restorative benefits truly remarkable. Write Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for free 128-page book on woman's diseases. Every woman should have one. You can also have confidential medical advice without cost.

It's Indeed Bad.
Cleopatra, it seems, was honest enough to stop a clock, had there been clocks in her interesting days, and a feeling of idleness comes over us all we reflect that Antony ruined a great career for nothing.—Milwaukee Journal.

How's This?
We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. Hall's Catarrh Cure has been taken by catarrh sufferers for the past thirty-five years, and has become known as the most reliable remedy for Catarrh. Hall's Catarrh Cure acts thru the blood on the mucous surfaces, expelling the poison from the blood and helping the affected portions.

Transplanting Kidneys.
The transplanting of kidneys has been done by Enders, Horst and Unger. Unger has succeeded in removing both kidneys from a bulldog and immediately substituting the kidneys of a fox terrier. The new kidneys took up their function promptly and the dog seemed to suffer little from the shock. In Berlin a diseased kidney was removed from a young woman and the kidney of an anthropoid ape substituted successfully.

Stop That Cough

Grave Danger, Indeed.
A judge was questioning an Irishman. "He caught you by the throat and choked you, did he?" asked the judge. "He did, yer worship," said Pat. "He squeezed me throat till I thought he would be making cider of me Adam's apple, sure!"

For dyspepsia, our national ailment, use Burdock Blood Bitters. Recommended for strengthening digestion, purifying the blood. At all drug stores, 50c a bottle.

Skin Grafting Not New.
The transplantation of bits of skin to cover injured parts was practiced by the Hindus ages ago. It was rediscovered in comparatively recent times and has proved a great blessing to mankind. It is now held that the transplanted skin does not actually take root, but is used by the body as a basis for growing its own new skin.

Cough Medicine for Children
Mrs. Hugh Cook, Scottsville, N. Y., says: "About five years ago when we were living in Garbutt, N. Y., I doctored two of my children suffering from colds with Chamberlain's Cough Remedy, and found it just as represented in every way. It promptly checked their coughing and cured their colds quicker than anything I ever used." Obtainable everywhere.

Daily Thought.
To maintain a conflict with oneself is the hardest of all wars; to overcome oneself is the noblest of all victories.—Logan.

The Quinine That Does Not Affect The Head
Because of its tonic and laxative effects, GALETIC BROOK QUININE is better than ordinary quinine and does not cause nervousness nor suffering in head. Remember the full name and look for the signature of W. W. GROVE.

A number of people were sadly disappointed Sunday evening. Some rumors are embarrassing; others disgusting, even though the parties concerned may conceal their disgust.
